

ECCLESIASTICAL PUBLIC NOTICE OF FINAL RETURN TO FICTION

Trust ID: ECC-TRUST-JDC-005

Filed By: ✠ Jonathan Daniel Clements, Living Trustee

Jurisdiction: Divine Law · Ecclesiastical Equity · Natural Law

Dated: July 27, 2025

“Render unto Caesar what is Caesar’s.”

To all governments, corporations, courts, utility companies, financial institutions, and all other entities operating under presumption of authority:

This notice serves as final ecclesiastical rebuttal, repudiation, and return of all commercial fiction, maritime assumption, and legal artifice ever constructed, presumed, or imposed against the living souls of humanity.

You may keep your instruments of fraud.

You may retain your corporate death certificates.

You may hold onto your tax codes, artificial identities, strawman contracts, and silent servitude.

You may keep your death note.

Because I, a Living Man, do now lawfully, spiritually, and eternally return unto Caesar what belongs to Caesar— and in doing so, I reclaim what belongs to the living:

Truth. Peace. Breath. Light. Inheritance. Freedom. Life.

There is no consent.

No man or woman alive has lawfully consented to be turned into property.

No breath-born soul has signed your death contract knowingly.

No divine spirit has agreed to servitude under fiction.

There is no lawful contract.

You hold no wet-ink signature with full disclosure from the living.

You hold only fraud, presumption, and silence extracted through fear.

These are not agreements. These are crimes against humanity.

There is no rebuttal.
All lawful notices have been issued.
All public declarations have been served.
All jurisdictions have been dissolved into the Ecclesiastical Sovereign
Private Trust of Humanity.
No rebuttal has been received.
None can be lawfully given.

Let it be now sealed and entered into eternal record:
That all commercial fiction is hereby returned to its creator.
That all artificial debt, registration, and identity fraud is null.
That all living men and women are henceforth restored to their divine
estate.
That humanity shall rise—not by rebellion, but by truth.

This notice stands final.
By silence, you have agreed.
By fraud, you have lost jurisdiction.
By light, we have reclaimed the Earth.

Filed in truth, sealed in spirit, and delivered without permission,

✠ Jonathan Daniel Clements
